2. Claims becaus extent	s Nos.: Se they relate to parts of the international application that do not comply with the prescribed requirements to such an that no meaningful international search can be carried out. specifically:		
3. Claims	s Nos.: se they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).		
Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet)			
The in communic communic phase prepared on the that the to statile to the statile the requirements.	hal Searching Authority found multiple inventions in this international application, as follows: Expendice of claims 1-3, 5 relate to a technical feature that the cation terminal side reports the layer 3 protocol used by the cation terminal and the packet data serving node side selects the NCP cocessing means handling the protocol reported.  other hand, the invention of claim 4 relates to a technical feature packet data serving node side subjects the type of the layer 3 protocol stic processing and selects the NCP phase processing means according statistic processing result.  lingly, it is obvious that the inventions of claims 1-5 do not satisfy airement of unity of invention.		
1. X As all claims	required additional search fees were timely paid by the applicant, this international search report covers all searchable s.		
	searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of Iditional fee.		
3. As only the	ly some of the required additional search fees were timely paid by the applicant, this international search report covers hose claims for which fees were paid, specifically claims Nos.:		
	quired additional search fees were timely paid by the applicant. Consequently, this international search report is sted to the invention first mentioned in the claims; it is covered by claims Nos.:  The additional search fees were accompanied by the applicant's protest.  No protest accompanied the payment of additional search fees.
